## Addendum: Electrical / Lighting Trade Group

This addendum agreement (“Agreement”) is between the Vermont Energy Investment Corp. d/b/a Efficiency Vermont and \_\_\_\_\_ (“Participating Contractor”) and outlines the terms between the parties effective January 1, 2016.

This Agreement sets out the terms and conditions required to participate in the Efficiency Excellence Network (EEN) Electrical / Lighting Trade Group. The terms specific to the Electrical / Lighting program supplement those of the EEN General Participation Agreement, and except as specifically noted herein do not supersede the terms and conditions of the EEN General Participation Agreement.

### 1. Electrical / Lighting Program Enrollment

- a. Contractors that wish to participate in the Efficiency Excellence Network Electrical / Lighting program must (a) become a Participating Contractor in the Efficiency Excellence Network by signing and meeting all requirements of the EEN General Participation Agreement, and (b) submit this addendum signed by an authorized company representative.
- b. If the Participating Contractor wishes to list branches under its membership in this Electrical/Lighting trade group, each branch must submit documentation of compliance with the requirements listed below. Additionally, each branch/division must submit at least one project annually in order to remain active and listed on the Efficiency Vermont website.

### 2. Electrical / Lighting Contractor Requirements

Participating Contractors in the Electrical / Lighting program must:

- a. Employ electricians on staff who are licensed by the Division of Fire Safety within the Vermont Department of Public Safety. At least one staff person must be licensed as a Master Electrician.
- b. Participating Contractors must provide Efficiency Vermont with the license numbers of all electricians on staff, including at least one Master Electrician.
- c. Offer customers high efficiency Lighting equipment. Participating Contractors commit to offering all customers efficient products that meet Efficiency Vermont program eligibility requirements for Lighting equipment. Participating Contractor shall inform customers of any relevant rebates from Efficiency Vermont.
- d. Respond in a timely manner to referrals from Efficiency Vermont. Participating Contractor recognizes that the leads and referrals received from Efficiency Vermont constitute a benefit and will make every effort to respond to these leads in a timely manner within 3 business days.

**By signing this Agreement, Participating Contractor’s duly authorized representative is certifying that:**

- Participating Contractor’s representative has the necessary legal authority to act on Participating Contractor’s behalf;
- Participating Contractor agrees to provide its customers, partners and Efficiency Vermont with information that is true and accurate to the best of its knowledge, including all information provided herein;
- Participating Contractor has read, understood, and hereby agrees to comply with all terms and conditions of this addendum Agreement, and will ensure everyone working for Participating Contractor understands and complies with all terms and conditions of this addendum Agreement.
- Participating Contractor consents to any other inquiry to verify or confirm the information provided; and
- Participating Contractor understands and accepts that approval or rejection of this addendum Agreement is in the sole discretion of Efficiency Vermont and that only upon signature of this Agreement by an authorized representative of Efficiency Vermont will the contractor be a Participating Contractor in the Electrical / Lighting program.
